## What is Respect Life Sunday?

October is a month dedicated to recognizing and promoting the value of life. As Christians, we are called to take care of the most vulnerable and respect life at all stages and abilities.

Halton Alive provides churches with materials and resources to help Christians understand and value the gift of human life. We offer training for church members to help build a culture that cherishes and protects it.

## Sample Church Announcement

As Christians, we are called to cherish, defend, and protect those who are most vulnerable, from the beginning of life to its natural end. Today we take a moment to pray for the most vulnerable in our community, educate ourselves better on the life issues facing our culture, and consider how we can be the hands and feet of Jesus in the world when it comes to these issues. Take a moment to connect with our church Life Team at the back to learn more about some upcoming events and opportunities.
